Community Mental Health Program

1.0 EFT (38 hours per week)

“Leaders of primary health to diverse communities through partnership and innovation”

The Western Region Health Centre provides a range of health and community support services and are committed to innovation and quality in all we do.

Western Region Health Centre's comprehensive mental health program comprises of Home-based Outreach, Group Programs, a Youth Residential Rehabilitation Program and a recently established Prevention & Recovery Care service (PARC). Our mental health programs include cultural group-specific programs, strong consumer participation and an integrated health promotion model.

We are seeking an enthusiastic and experienced professional to fill the position of Team Leader in Community Mental Health at our recently-launched Nicholson Street site. Our community mental health team provides recovery-focused and strength-based intervention for people who experience mental illness within the Cities of Wyndham, Hobsons Bay and Maribyrnong.

This exciting Team Leader position will provide support, supervision and leadership to a dynamic team of staff that provides both group - focused and 1:1 outreach intervention. The Team Leader will play a key role in supporting the development of a model of integrated primary care service provision for clients with mental health issues and complex needs.

The successful applicant will have an interest in developing consumer - led programs, responsive, client centered mental health programs and innovation in practice. Ongoing professional development and leadership opportunities provided.

Relevant tertiary qualification and a current driver's licence is required.
