

Project Worker

'Building Consumers In'

0.8 EFT - 3 month contract

"Leaders of primary health to diverse communities through partnership and innovation"

The Western Region Health Centre provides a range of health and community support services and are committed to innovation and quality in all we do.

Our mental health programs include cultural group-specific programs, strong consumer participation and consumer led models and an integrated health promotion model.

We are seeking an enthusiastic and experienced person to fill this 3 month fixed term, part time (30.4 hours per week) position of Project Worker, 'Building Consumers In' Project. This project seeks to evaluate WRHC's current organisational processes for ensuring the consumer perspective is heard and incorporated into practice within our community mental health programs. The project worker role will include conducting focus groups and evaluation methods, documenting the process and compiling a comprehensive project report including recommendations. The project worker will work as part of a steering committee dedicated to completing this important piece of work.

The successful applicant will have an understanding of the consumer perspective, experience in completing research and/or evaluation and excellent written and verbal communication skills.

Relevant tertiary qualification and current drivers licence is required.

Wages and conditions: SACS Award. Attractive salary packaging is available.
