HARP - Community Response Service

0.4EFT - Fixed term
(Maternity Leave)

“Leaders of primary health to diverse communities through partnership and innovation”

The Western Region Health Centre provides a range of health and community support services and are committed to innovation and quality in all we do.

The Western HARP program provides services to clients with complex medical and/or psychological issues who regularly use the emergency or inpatient services within the Western Region of Melbourne. Working as part of a multidisciplinary team, the HARP Dietitian provides outreach and centre based services. The successful applicant will work in partnership with Western Health, local GP's and other relevant health and community services to formulate and deliver appropriate Dietetic interventions for clients in line with the HARP model. This position is fixed term (maternity leave replacement), 2 days per week until September 2011.

Wages and conditions: Medical Scientists, Pharmacists and Psychologists, Grade 2. Attractive salary packaging is available.
